

2023

DAM SAFETY TRAINING

- FREE LIVE WEBINAR -

FEBRUARY 13, 2023

MONDAY | 9:00am PST

*DAM CONSEQUENCE AND
EMERGENCY RESPONSE (90 minutes)*

The webinar will focus on dam consequence classification and will include instructions on how to re-determine your consequence classification per the regulation. The webinar will discuss when it is appropriate to either increase or decrease the consequence, and how that impacts your responsibilities as a dam owner. A review on emergency response will also be included.

To access the webinar, visit:

interiordams.com/damsafetytraining

You are encouraged to sign in to the webinar up to 10 minutes before the scheduled time. This will allow for extra time to test your system.
